NAVIGATING HEALTHY FAMILIES

Our Mission

It is the mission of the Glenbard Parent Series (GPS) to facilitate real-world parenting skills that will enhance our teens social and emotional development, encourage responsible decision-making skills and promote respect-based relationships that will keep our adolescents safe. This series engages top experts in helping our communities to become proactive and informed, as we strengthen home and community partnerships in pursuit of our mutual goals. GPS programs are free, open to the community and require no registration. High school and middle school parents are strongly encouraged to at-
