

Dear Forest Glen Parents,

Welcome to another great year at Forest Glen Elementary School! On behalf of the PTA Board, we thank all the parents and teachers who generously gave their time and talent to the PTA events and activities this past year. The success of our programs is due to the direct result of your time and dedication.

As you know, the PTA is an organization of parents and teachers whose goal is to serve as advocates for our children. We fulfill this goal by providing quality enrichment programs, many fun activities and a forum for parents to become involved in their child's school. We are proud to have a very active PTA.

As we begin the 2009-10 school year, you will have an opportunity to join the PTA as well as volunteer your time to one of the many activities we sponsor. You can visit the Forest Glen PTA website to get a flavor of what we have done and will be doing this year. Simply go to www.d41.org, click on Forest Glen Elementary. When you get to the Forest Glen home page, click on a box on the right hand side that says, Forest Glen PTA.

As we have done in the past, the PTA will host a volunteer sign-up in conjunction with the school's Curriculum Nights held in September. Representatives from the various committees will be on hand to answer questions. Room parent sign up will also be done at that time. Please make time to stop by and get involved. We also hold regularly scheduled meetings throughout the year. I encourage you to attend and learn more about the PTA and Forest Glen.

Please contact me if you have any questions or concerns about the PTA. With your help, we will continue to provide interesting and rewarding activities and programs for our children.

Sincerely,

Debbie Boyle
PTA President
